

Rajani Nasrin

UI & UX DEVELOPER

 rajaninasrin16@gmail.com  8240661819  [LinkedIn – Rajani Nasrin](#)  Kolkata, West Bengal

Results-driven UI & UX Developer with strong expertise in HTML, CSS, JavaScript, Figma, Tailwind CSS, and React.js. Experienced in building responsive, mobile-first web applications that prioritize usability, accessibility, and performance. Skilled in developing reusable React components, optimizing frontend architecture, and translating design concepts into scalable, production-ready interfaces. Passionate about delivering intuitive user experiences backed by clean, maintainable code and measurable performance improvements.

Experience

Neonate Technologies

February 2025 – Present

UI & UX Developer

- Developed responsive, mobile-first user interfaces using HTML5, CSS3, Bootstrap, JavaScript, Figma, Tailwind CSS, and React.js.
- Designed and implemented reusable React components to improve scalability and reduce development time.
- Translated UI/UX design wireframes into high-quality, production-ready code.
- Improved website performance through asset optimization and efficient state management.
- Enhanced user engagement by refining layout structure and usability standards.
- Ensured cross-browser compatibility and accessibility compliance across web applications.
